

MEMBERSHIP APPLICATION

Wines & Steins is a club that was founded: "To foster home wine and beer making and to learn to appreciate the finer points of beer and wine making and the art of tasting." Members are expected to subscribe to this Credo and to participate in the activities and responsibilities of the club towards these ends. We are not a social club, but we do enjoy ourselves. We are not an equipment rental service, but our members who meet certain requirements, are allowed to borrow club equipment to make wine and/or beer.
